CYBERTECH MIAMI:

Cybertech Miami, the regional summit for the cyber industry is a 1-day event, featuring a grand exhibition hall, cutting-edge conference, and sector-specific special events. Cybertech conferences attract market-leading companies, government officials, world-renowned speakers, innovative startups, and investors worldwide. Our first-ever conference in Miami-Dade will take place June 1, 2022.

LATIN AMERICA

This year, due to the ongoing health crisis in Latin America, we have united our Panama event with Cybertech Miami. The event in Miami Dade will therefore include the participation of key players from the USA and Latin America, this event will focus on challenges and solutions for the regional and the national level.

This is the perfect place to foster existing business connections and create new opportunities with a wide range of sectors and entities, including government, industry, and academia. Visitors and participants can use the Cybertech B2B Platform to pre-schedule business meetings onsite.
